3. **Permanent outdoor storage.** Permanent outdoor storage is permitted as a specified land use (storage yards) in the allowed use tables of Chapter 3 (Zoning District Regulations).

B. Development Standards

1. **General development standards for all activities.** The following development standards apply to all outdoor display, sales, and storage activities.
 - a. **Location.** Outdoor activities shall not be located within any public right-of-way (unless an Encroachment Permit has been issued), in required parking spaces, or within designed vehicle drive aisles, or within required landscape planter areas. Outdoor activities may also not disrupt or impede required pedestrian circulation paths as required by the Building Code;
 - b. **Hours of operation.** Except as otherwise provided, hours of operation for outdoor activities shall be consistent with those for the corresponding primary use;
 - c. **Noise.** Any noise generated by the outdoor activity shall be consistent with the City's Noise Ordinance;
 - d. **Signs.** No additional business identification or advertising signs for the outdoor activity may be permitted above the maximum allowable sign area for the corresponding primary use, except when the outdoor activity is the primary use (e.g., Christmas tree lot).

- e. **Maintenance.** Outdoor activity areas shall be kept free of garbage and other debris.
2. **Standards for outdoor display and sales.** The following development standards shall apply to all permanent and temporary outdoor display and sales activities.
 - a. **Associated with the primary use.** All outdoor display and sales activities shall be associated with the primary use of the property. Only those goods and services associated with the primary use may be stored, sold, or displayed. All outdoor display and sales activities that are independent of the primary use shall be considered their own primary use and regulated as such (e.g., seasonal sales as a temporary use requiring a Temporary Use Permit).
 - b. **Maximum area.** Unless otherwise approved in conjunction with development permits, the area used for permanent outdoor display and sales of materials shall not exceed 10 percent of the gross floor area of the corresponding commercial building. The following uses and activities are specifically exempt from this requirement, provided all other development standards are satisfied:
 - 1) Vehicle and equipment sales and rentals (e.g., automobile, boat, RV, construction equipment, etc.), provided storage and display is limited to vehicles offered for sale or rental only.
 - c. **Time limit for temporary activities.** See the provisions of Chapter 1.5 G Temporary Event and Permit for duration and permit requirements for temporary promotional sales.

 - b. **Height limitation.** The height of stacked materials and goods shall be no greater than that of any building, wall, fence, or gate enclosing the storage area.
 - c. **Screening.** Screening of outdoor storage shall be consistent with Section 5.3 Fences, Walls and Screens.
 - d. **Parking.** Parking for permanent outdoor storage shall be provided as required in Section 5.6 Off-Street Vehicle Parking.
